

Athletic Directors –

To do a live or tape-delayed telecast of a volleyball contest that occurs during the playoffs, you must first get approval from the UIL. You must also get permission from all schools involved. If the event is occurring at a neutral site where neither team plays its regular home games, you must also get approval from the venue.

Media outlets interested in telecasting a playoff contest must complete this form before noon the business day prior to the event: [Non-Football Sublicensee Playoff Telecast Request](#)

Schools interested in doing an Academic Telecast or NFHS Network School Broadcast Program telecast must submit this form before noon the business day prior to the event: [UIL Member School Playoff Telecast Request](#)

Any questions should be directed to the UIL Media Department: pr@uiltexas.org.

Thank you,
Susan Elza, Ed.D.
UIL Director of Athletics
