

Athletic Directors and Team Tennis Coaches,

Adjustments have been made to the team tennis post-season schedule. For the 2020 team tennis season, the decision has been made to eliminate the tournament format at both the regional and state team tennis tournaments making all rounds playable by the paired matching of each schools involved in the contest. This change means that the 2020 UIL Team Tennis Tournament will be a finals only schedule. For all rounds leading up to UIL Team Tennis State Championships, sites are to be selected and agreed upon by the two teams involved. Changes to the team tennis calendar are highlighted below.

**Updated 2020 Team Tennis Schedule:**

<b>October 24</b>	District Certification Deadline
<b>October 26,27</b>	Bi-District
<b>October 29,30,31</b>	Area
