

Athletic Directors,

The following email was sent to all superintendents today.

Thank you,
Susan Elza, Ed.D.
UIL Director of Athletics

--

Superintendents,

UIL has posted one addition to the [UIL COVID-19 Risk Mitigation Guidelines](#) on the UIL website. This change requires that a student who has been diagnosed with COVID-19 to receive clearance from a physician prior to returning to participation in UIL activities.

Thank you for your patience and understanding as information related to COVID-19 evolves.

Sincerely,

Charles Breithaupt, EdD
Executive Director
University Interscholastic League

Jamey Harrison, EdD
Deputy Director
University Interscholastic League
