

Athletic Directors –

As we near the football postseason, we would like to send you a reminder regarding our football playoff telecast and webcast guidelines.

The Football Playoffs Telecast & Webcast Guidelines can be found on our website [here](#).

Schools interested in doing a Delayed Non-Commercial Academic Telecast or Live NFHS Network School Broadcast Program Webcast must submit the [Academic Playoff Telecast Request](#) form and receive approval from the UIL. The request must be submitted by noon Wednesday in order to telecast that week's playoff game.

Overall Football Media Information can be found on our media information page [here](#).

Any questions should be directed to the UIL Media Department: pr@uiltexas.org.

Thank you,
Susan Elza, Ed.D.
UIL Director of Athletics
