

Track & Field Coaches and Athletic Directors,

We wanted to provide you an update of important information pertaining to the 2020-21 Track & Field Season. This information may be found in its entirety on the UIL's Track & Field Page [here](#).

All Schools (1A through 6A):

April 10	District Certification Deadline
April 17	Area Certification Deadline
April 23-24	Regional Certification Deadline
May 7-8	State Meet

- Invitational Meets may have no more than 8 total schools (to include both boys & girls) with only one level of competitors (Var/JV/9th) on site at a given time. Invitational meets could allow schools to bring both Varsity & JV athletes, but would be limited to 4 total schools in that scenario.
 - Each school shall be allowed a maximum of three contestants in each individual event. Only one relay team per school may be entered.
 - There may also be an additional 2 schools added to the 8 schools allowed if those 2 schools have no more than 6 participants.
 - NOTE: Meets which are limited to three or fewer schools do not count as a meet for participants, provided there is no loss of school time.
- District Meets with more than 7 schools may only have one level of competitors (boys & girls) participating on site at a given time. Example: if Varsity Boys/Girls are running, JV would not be allowed on site with the varsity athletes. District Meets may exceed the 8 school limit if their district has more than 8 schools.
 - Districts with 5 or fewer schools may have both Varsity & JV divisions compete together on site.
- **ADDITIONAL INFORMATION WILL BE RELEASED AT A LATER TIME CONCERNING AREA, REGIONAL AND STATE MEETS.**
